People's Emergency Briefing

National Emergency Briefing

Thursday 26th Nov @ 7pm

Bearfield will hosting a showing of the National Emergency Briefing, which brings together leading UK experts in climate science, food security, health, economics, national security and nature.

It presents a calm, evidence-based overview of how the climate and nature crisis is affecting everyday life in Britain - and what the science says about risks and responses.

The initiative is explicitly non-partisan and supported by a wide range of organisations, including the Church of England, National Trust, WWF, the Royal Meteorological Society and many others.

Faith communities have long traditions of stewardship, care for the vulnerable, and intergenerational responsibility. We believe this is an important moment for thoughtful, compassionate local dialogue.

Only two weeks to Advent! – HELP !

With only two weeks until Advent starts, the Christmas publicity is ready and your help is needed!

How can you help?

1) Hand out the fliers

The Christmas fliers are available for you to give to friends and neighbours. Thanks to those who have already handed them out to the local area.

2) Get involved

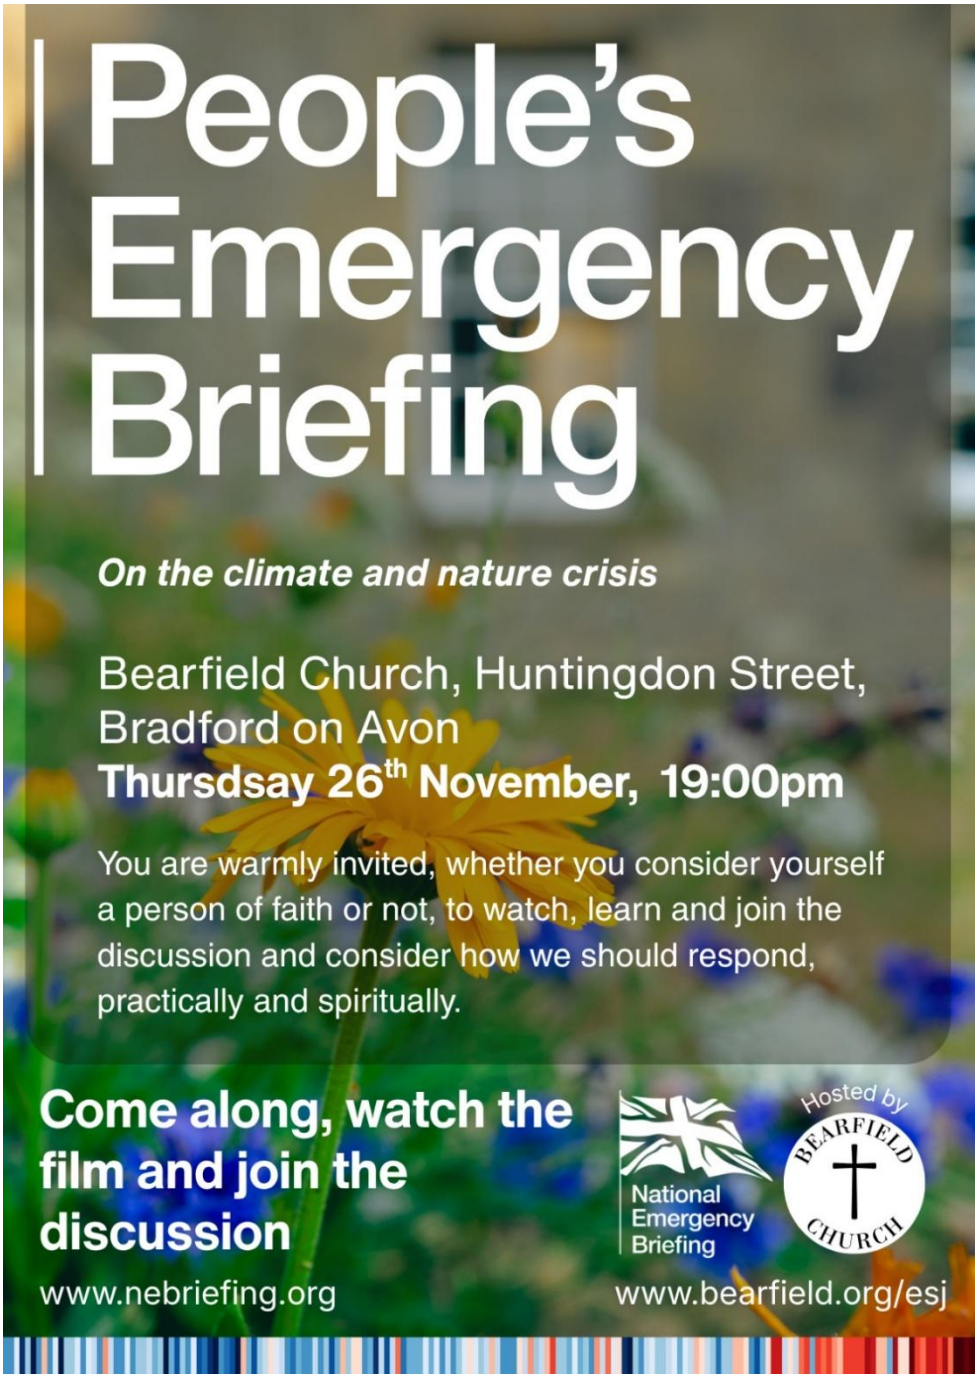

Come along to the Christmas events. New this year is a "Cookie swap", so bring along a plate of Christmas treats to swap. Or dress up for the nativity or sing songs on the lawn.

3) Bake a cake or two!!

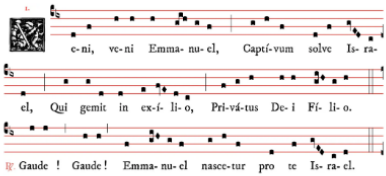

Cakes are needed at the carols on the lawn on 20th in the afternoon. Mince pies are needed for Nine lessons & Carols on 13th (pm) and Nativity on 20th (am). If you can help provide something for one of these services please let SA or Dave know.
