August services

In August we are planning on having an opportunity for people to share a scripture or song that God has spoken to them through.

If you are willing to share and explain how it has touched your life then please email SA on admin@bearfield.org with the passage or song, a brief explanation and which Sundays in August you are around so that she can sort out the rota.

Church Contact List Update

SA is in the process of updating the church contact list. If you are currently on the contact list and any of your details have changed please email SA the changes.

If you are not on the contact list (our list of names, addresses and contact details) and would like to be included as you are regular at Bearfield, then please speak to SA or email her on admin@bearfield.org.uk .
