WORSHIP THE LORD
IN THE BEAUTY OF HOLINESS.

Weekly wonderings ...

In Tuesday house group discussions this week, the question came up about why it was that Jesus had to ascend to His Father before the Holy Spirit could come. I have been pondering on this and studied afresh the verses, John 16 v 5-7, where Jesus is recorded as saying: "Now I am going away to the one who sent me, and not one of you is asking where I am going. Instead, you grieve because of what I've told you. But in fact, it is best for you that I go away, because if I don't, the Advocate (the Holy Spirit) won't come. If I do go away, then I will send him to you."

Jesus says that the Holy Spirit will not come unless He departs; Jesus it is who will send Him. The work of the Holy Spirit can only start once Jesus had ascended to Heaven and commissioned Him to come to earth. There are examples of the Holy Spirit at work in the Old Testament writing. For instance, King Saul and Samson were both said to be filled with the Holy Spirit. However, the Holy Spirit wasn't present in the same 'common' way, available to all, as He has been post-Christ's ascension. It appears that Jesus has to send the Holy Spirit and he has to send him from another place.

Going back to Kathryn's reading of Philippians 2 last Sunday: with great authority and with perfect timing she read the words which are foundational to a believer's understanding of the character and power of Jesus Christ in His life on earth...

"You must have the same attitude that Christ Jesus had.

Though he was God,

he did not think of equality with God

as something to cling to.

Instead, he gave up his divine privileges

he took the humble position of a slave

and was born as a human being.

When he appeared in human form,

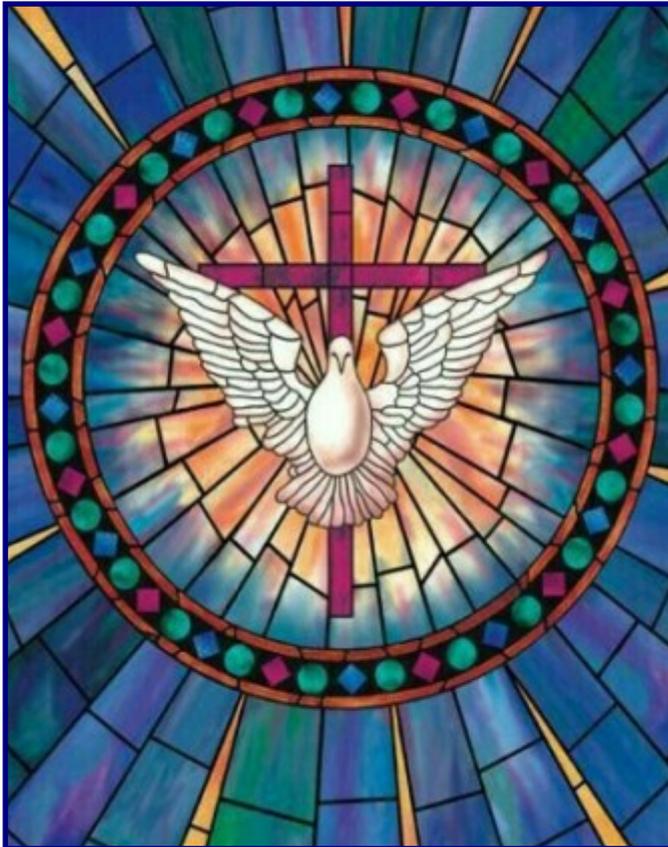

he humbled himself in obedience to God

and died a criminal's death on a cross." (Philippians 2 v 5-8 NLT)

It may be that the authority or the ability to send was among those things that were set aside when Jesus was born and he needed to ascend back to

heaven to regain them; It may be that that the authority or ability to send the Holy Spirit was contingent upon his completion of his work on the cross; we are not told in Scripture, but this doesn't mean that we shouldn't ask questions. Jesus replied to genuine questions with questions of His own and that was to drive the discussion deeper. We must be prepared to go deeper. Paul's prayer early in his letter to the Ephesians: "I pray for you constantly, asking God, the glorious Father of our Lord Jesus Christ, to give you spiritual wisdom and insight so that you might grow in your knowledge of God. I pray that your hearts will be flooded with light so that you can understand the confident hope he has given to those he called—his holy people who are his rich and glorious inheritance. I also pray that you will understand the incredible greatness of God's power for us who believe him." (Ephesians 1 v 16-19 NLT)

God bless your Pastor, *David*

David's Last Sunday

David's last Sunday with Bearfield will be Sunday 19th February.

As you know, David shared some time ago that he would be ending his period of employment as Pastor at the end of March, 2023. Leaving on the 19th February provides him with a period of 'gardening leave', finishing his role with us but continuing to be paid until the 31st March. We've agreed this with David as a way of supporting his transition into new employment and also in lieu of a sabbatical, since having one did not seem appropriate once his leaving was confirmed.

On Sunday 19th February we will be having a shared lunch as part of our farewell to David and Fi, so please put this in your diaries as it would be lovely to have as many of us there as possible.

Don't forget to sign up of the shared lunch on the sheet in the hall.
