Mission partner Update

Operation Restoration – Bolivia

Rodrigo Paz Pereira was sworn in as Bolivia's new president on 8 November, bringing early signs of hope after many years of isolation. The new government has already begun addressing the severe fuel shortages affecting the country. Please pray for continued stability and relief for the Bolivian people.

Operation Restoration continues its mission to reach vulnerable young people living on the streets. Several girls have recently returned to the El Alfarero home, each facing challenges related to past trauma, addiction and health issues. Please pray especially for Tatiana and her son Emanuel, who is recovering from a respiratory infection; for Luana and her son Caleb; and for Daniela as she settles into the home and grows in her faith.

Staff Retreat – 21–23 November

The growing staff team will gather for a retreat to seek God's renewal and guidance as they continue caring for young people facing addiction, abuse and trauma. Please pray for the staff.

The ministry is thankful for a new staff member recently added to the El Alfarero team, with another candidate soon to be interviewed.

Roger, Isha and the Operation Restoration team express their deep gratitude for your ongoing encouragement, prayer and support.

If you would like to receive the newsletter in full, please go to the Operation Restoration website where you can subscribe to receive more detailed updates.
